To Whom It May Concern,

This reference letter is provided at the request of **Nittish** who has participated in our **CantiLever** internship program under my supervision.

Throughout **HIS** internship, **Nittish** had the opportunity to contribute to several projects in our company. **HE** was assigned to different tasks which highlighted **HIS** skills in organization, decision-making, and problem-solving. **Nittish** is proficient in all of the mentioned skills and also demonstrated a superior literacy of using sophisticated technologies.

I was impressed with the outstanding work **Nittish** has done during the 1 month of **HIS** stay.

I am sure that **Nittish** will become a valuable asset to any organization **HE** becomes a part of. I wish **Nittish** all the best for **HIS** future endeavours.

If you need additional information or perspective, please contact me, via email at cantileverinfo@gmail.com.

Best of Luck!
